Subject: RE: Response Burn Rates

Hello all,

I received a verbal ok from David Ostrander for the detailed reprogramming below.

Thank you

Christine Portillos

Subject: Response Burn Rates

David,

Attached are burn rates for payroll and travel costs. Based on these rates, I've highlighted our anticipated funding needs below for the response. Ben & Laura will be calling Josh Woodyard (OSWER) regarding additional funding needs first thing in the morning.

Anticipated Funding Needs (Intramural) through 9/30/2015:

Payroll:	\$1.2M
Travel:	<u>\$100k</u>
Total:	\$1.3M

Anticipated Funding Needs (Extramural):

Contracts:	\$6M
Initial SCA (Grants):	<u>\$275k</u>
Total:	\$6.275M

Below are the immediate needs for funding using the existing available balance in 303DC6 of \$2.4M. Please let us know if you approve these actions:

- [REDACTED] We are currently \$17,000 in the hole in travel. We would like to reprogram \$100k in 303DC6 from contracts into travel.
- [REDACTED] \$275,000 reprogrammed from contracts to grants for a block grant to CDPHE (LaPlata County).
- [REDACTED] \$140,000 added to START contract.

Ending available balance after these actions is \$1.885M

Thanks,

Joe
